To All Residents and Resident Families

Due to the current postal strike, November invoices that are normally mailed have not been sent out. If you would like to pick up your invoice, please see Theresa Thompson at the reception desk, or Carol/Liz in the Finance Department. Any invoices not picked up will be put in the mail at the conclusion of the postal strike.

Invoices that are normally emailed have also been delayed due to an ongoing issue with our accounting software that prevents invoices being emailed to Gmail email accounts. This issue was supposed to be resolved this morning but has now been delayed until Monday.

As soon as the issue has been resolved, we will email November invoices to residents/families who normally receive invoices by email.

If you normally have your invoice sent through Canada Post and would like to switch to email going forward, please contact me at 902-538-3118 Ext 5102.

Thank-you

Carol Breckon
Director of Finance
